

Learning Together: Inclusive Evaluation Training Menu

To start - the foundations

Getting to know you

What is evaluation?

Being an ethical evaluator

Optional: who are you as
an evaluator?

Main course – evaluation methods

Mix and match the following training sessions according to your project needs.

Interviews

Focus groups

Surveys

Case studies

Using social media

Using creative
methods

Change stories

For afters - analysing and sharing your findings

Choose one or both, depending on methods:

Making sense of what it
means: words

Making sense of what it
means: numbers

And finish with:

Sharing what you found out
