

## Links from Time to talk Next Steps Celebration 2024

In June 2024 the National Development Team for Inclusion celebrated the incredible achievements made through delivery of the Time to Talk Next Steps programme<sup>1</sup> with a series of successful online sessions which provided a unique opportunity to share learning and reflections from young people, carers, staff, and associates.

Information, resources and tools referred to throughout the week including podcasts, videos and blogs created by young people are listed below to support similar work.

---

<sup>1</sup> This rights-based support initiative has empowered young people with additional support needs aged 16-25 across from across England. Delivered in partnership by NDTi and Contact, and funded by The National Lottery Community Fund, this program has made a significant impact on the lives of many over 3 years. It ends in July 2024.
