From registering interest to being CQC registered and supporting people: Setting up a Small Support Organisation

I'm interested

- Register interest
- Attend information sessions
- Discuss with NDTi and NDTi partner
- Read Guide to Getting Started

Have you got what it takes ...now you know more?

Apply

- Complete application pack
- Prepare for interviews and meetings with people with lived experience, small support partners, NDTi and local representatives

Think about...

....these meetings as a chance to say something about yourself and your values and vision

Business Plan and running an organisation

- · You will have a mentor from NDTi team
- What sort of organisation do you want to have? Social Enterprise or Profit-making? Access to set-up funding will be an important factor in this decision
- NDTi will on your behalf start a discussion with local commissioners. Planning for sustainability will mean planning income/growth and ensuring strong relationship with local commissioners.
- Funding for individual will be based on personal budgets and personal health budgets, ensure you understand
- Being an employer, discuss with mentor and set out workforce plan and include recruitment, matching and understand costs
- Follow the Guide to Setting up a new Small Support Organisation (link below)
